GMP LABORATORIES OF AMERICA, INC.

CUSTOM CONTRACT MANUFACTURER OF QUALITY SUPPLEMENTS

Quality Dietary Supplements Manufactured to FDA cGMP Standards

For today's fast-paced and ever-changing marketplace, the need for a dependable, versatile and certified contract manufacturer partner is critical. For over twenty years, GMP Laboratories of America has been providing our clients with the quality products made to current Good Manufacturing Practices (cGMP) standards in a variety of different dosage forms, including tablets, capsules, liquids, and powders. We are recognized in the nutraceutical industry for our attention to detail, flexibility, and quick turnaround. Our team of qualified professionals will offer innovative solutions for your specific needs. Our friendly staff and our personal service have played a key role in establishing GMP Labs as a leading contract manufacturer and packager of quality dietary supplements and homeopathic drug products.
